

# Party Planning

---

Planning a party at **The Great Escape** can be easy as long as you don't forget anything. To help you we have put together this simple checklist to help.

- How many kids will be invited?  
(Not everyone will attend but be prepared)
- Will you provide token for the party guests or do you expect them to bring their own money for the redemption and video games?
- Will you provide food for the party guests?  
(From our experience, most parties provide some food if the party is near lunch or dinner time.)

---

Items in bold are provided with our DELUXE & ULTIMATE party packages.

\_\_\_Invitations

\_\_\_Cake Server
